Dear Mr. [REDACTED]

Your seven years as Deputy Inspector General have provided me with great assistance and support. I want to commend you on the fine work that you have done during this period particularly in assisting in the development of the staff and of the component inspection program.

I am pleased that you are going to have an opportunity to have a command of your own in such a key area as the Office of Personnel, and I know that your compassionate interest in our employees will be put to excellent use in the Benefits and Services Division of Personnel. I will follow with close interest your work in that area.

With very best wishes for continued success.

Sincerely yours,
